

To join our **Kraków** team, we are looking for

Architect, full-time

To work on conceptual and competition designs of public-use and commercial buildings, both new and refurbished

Your profile:

- Minimum 5 years experience, with at least some in an international design office
- Exceptional design ability, derived from a keen interest in architecture
- Ability to convey design intent to a multi-disciplinary team
- Motivated, well-organized and disciplined, able to work without supervision
- Proficient in AutoCAD

Our offer:

- Opportunity to work directly with our founder, prof. Dietmar Eberle
- Ambitious projects, with a focus on design excellence
- Loyal and supportive team, most of whom are proficient in English
- Spacious office in the heart of Kraków
- Flexible working hours

Start: from July 1st, 2026
